### FIELD TRIPS

The field trips are designed to complement a particular lecture and are held in the week following that lecture. Registration is limited by the capacity of the places to be visited, which by special arrangement provide tours not available to the general public. Tickets for field trips are sold only to lecture-series subscribers, who may purchase one ticket to each of the five tours. The price of each tour is \$5.00. Luncheon is provided and the cost of the lunch, tax, and gratuity is included in the tour price. The field trips are offered on a Tuesday or a Wednesday schedule (except *Tour Two*; for this tour, Wednesday subscribers will receive tickets valid the following Thursday, October 7). Subscribers do not have the option of mixing or combining these schedules: ticket orders should indicate the weekday preferred, and all tours must be taken on the weekday for which the ticket is issued. It is important to show on the order blank whether the alternate date is acceptable if the weekday you prefer is sold out. To the extent possible, a Tuesday subscriber will be assisted in exchanging his tour ticket with a Wednesday subscriber at the time of the lecture preceding that tour. There are no refunds on field trip tickets, and no other ticket exchanges can be handled. All tours will depart from and return to the Downtown Center, 64 East Lake Street (except *Tour Five*—see below). Field trips operate on closely co-ordinated time schedules, and the departure of busses cannot be delayed for late-comers. Comfortable shoes are recommended for all tours.
